

OVERVIEW OF UNIVERSITY SPORTS FACILITY BOOKING

University Sports Facility Booking app serves as the main source of access to a campus's sport facilities. Sport does not only make one healthy but also teaches one teamwork, responsibility and discipline. Many believe that sports in school helps prepare student to face the challenges in life. The involvement of student in sports significantly decreases as they further their education. This in a way decreases the quantity and the quality of our country's sportsmen and sportswomen. University Sports Facility Booking app would serve as main platform with all the information on the campus' sports facilities. Student will be able to access these information from anywhere at anytime. This app will serve to motivate and encourage students to participate in the sports they like while they are in university.

Lack of interest

A hassle to book a sports facility

Clashes with other student using the facilities

PROBLEM STATEMENT

Sports facilities are more well-maintained and advanced in university compared to those in primary and secondary schools. Unfortunately, university students don't utilize these facilities due to lack of interest and the tedious process to book a sport facility in campus.

OUR SOLUTION

 University Sports Facility Booking app acts as a one-stop center for university sport facility booking that will allow university students to easily book and use campus sports facilities. The university management can also monitor the usage of these facilities to provide a safe and wellmaintained sports environment for the students. Students can view slot availability and make new bookings from anywhere at anytime. This will encourage students to participate more in sport activities and help foster good sportsmanship among budding sportsman and sportswomen.

One-stop center for information on campus sports facility

Anytime, anywhere easy venue booking

Encouragement for participation in sports activities outside of classroom

Better time management for students

IMPACT TO UNIVERSITY STUDENTS

Foster good sportsmanship among university students

Motivate the youths to train and build their fitness

Encourage the students to participate in national level sports events

Reduces the workload for administrations in sports facilities

The login screen provides an interface for the university students to login to their account using their student ID and password from the university's Identity Management (IDM) system. Students are therefore not required to register for an account as they can use their existing student account to access the app.

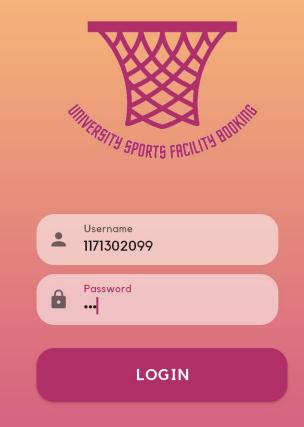

Example student login:

l) Username: 1171302056

Password: 123

2) Username: 1171302099

Password: 123
